Forecast For Strathclyde
Issued by Met Office Aberdeen
at 0400 on Thursday 16 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry although rather cloudy, some occasional brightness.

Today:
The odd spot of rain at first but otherwise a mainly dry day. Often rather cloudy but some brightness breaking through at times, mainly in the south. Maximum temperature 10 deg C (50 deg F).

Tonight:
All parts will have a dry night with variable amounts of cloud. Some patchy frost and fog developing where skies remain clear for a while. Minimum temperature 3 deg C (37 deg F).

Friday:
All parts will have a dry day. Some cloud around especially in the south, best of the sunshine in the north. Maximum temperature 9 deg C (48 deg F).

Outlook for Saturday to Monday:
Dry with some sunshine over the weekend, some lingering low cloud across the south and along the west coast. Remaining dry on Monday, becoming somewhat colder.
